

Traditional Medicine or Concierge Medicine? The Choice Is Easy

Frustrated with long waits, short appointments, insurance headaches, and impersonal doctors? Of course you are—and fortunately, the traditional medicine model isn't the only game in town.

TRADITIONAL

CONCIERGE

Wait days or weeks to see your doctor.

Get same-day and next-day appointments.

Change your schedule to fit your appointment.

Choose your appointment to fit your schedule.

Receive care from one primary care physician.

An entire care team is invested in your health.

Something comes up over the weekend?
You'll have to wait until Monday.

Need weekend access to an on-call doctor?
Your clinic has your back.

Long waits outside your doctor's office.

No wait time to see your doctor.

Rushed, 15-minute visits with your doctor.

Leisurely, hour-long visits with your doctor.

Inconsistent, by-the-numbers medical advice.

Advice tailored to your needs and your goals.

Reactive care when health issues crop up.

Preventive care to avoid future issues.

Your insurance determines the care you get.

Your health goals determine the care you get.

Insurance changes?
So does your healthcare.

Insurance changes?
Your healthcare doesn't.

Your care is just the cost of insurance—
but you get what you pay for.

Get all the perks of better care for
just \$2,800-\$3,300 per year.

Testimonies from NVFP Members

*"I didn't think it was possible to feel so comfortable and trusting of a primary care doc."
"Never before have I felt so 'attended to' by a medical professional."*

"You'll be unable to return to a traditional medical model."
